

MONZA BRAD 64

OIL less

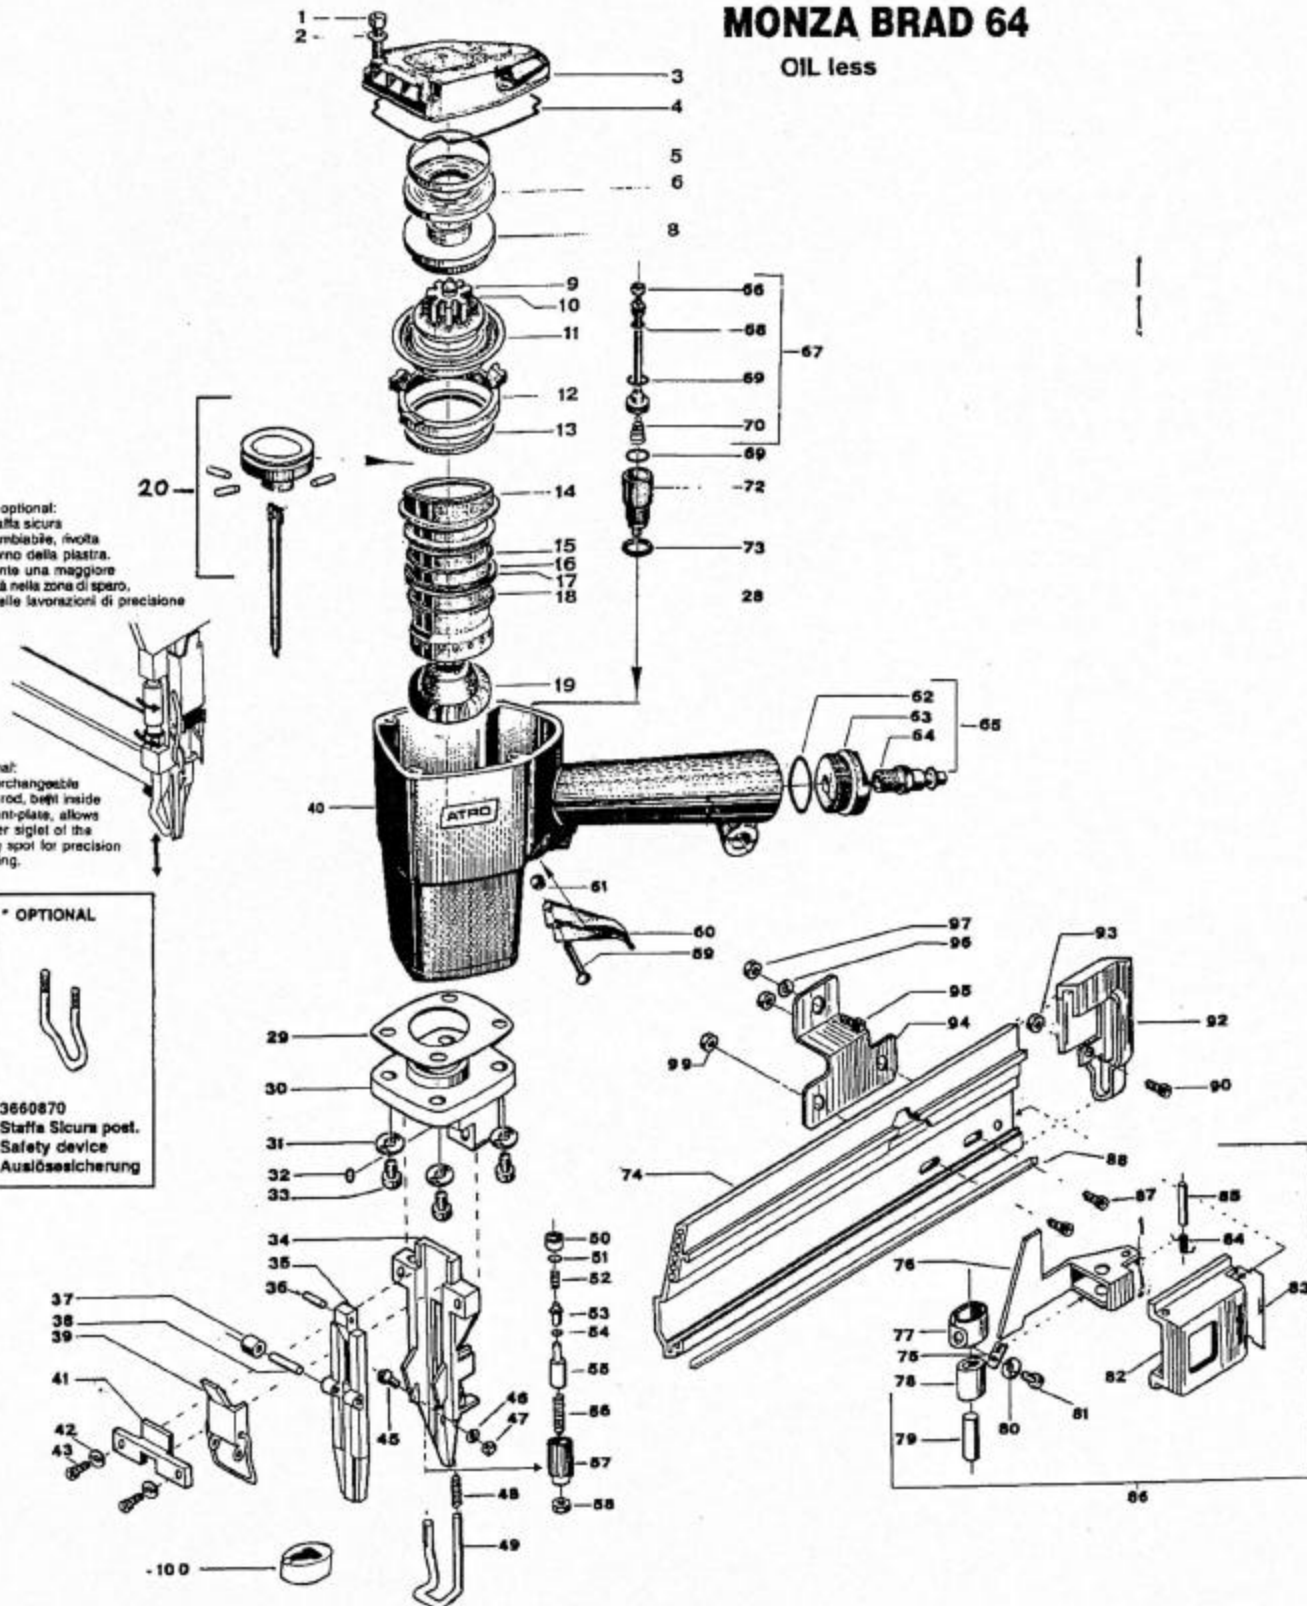

Come optional:
una staffa sicura
intercambiabile, rivolta
all'interno della piastra.
Consente una maggiore
visibilità nella zona di sparo,
utile nelle lavorazioni di precisione

Optional:
an interchangeable
safety rod, built
inside the front-plate,
allows a better sight of the
driving spot for precision
fastening.

* OPTIONAL

3660870
Staffa Sicura post.
Safety device
Auslösesicherung
